CUT & GLUE PLACE VALUE

About this packet:

This resource contains cut and paste printables to practice place value concepts. Students will practice matching base blocks to tens and ones, matching tens and ones to 2-digit numbers, identifying the place value of a digit in a 2-digit number, and matching base blocks to a 2-digit number.

To Prepare:

To prepare, just print! Include scissors and glue and coloring materials if you wish. These can be used as centers, in homeschool, homework, morning work, review or for fast finishers.

Instructions:

Each page contains specific instructions. Cut out the dotted strip on the side of each page. Glue to the corresponding value.

Included:

Page 4-9: Match base blocks to tens and ones

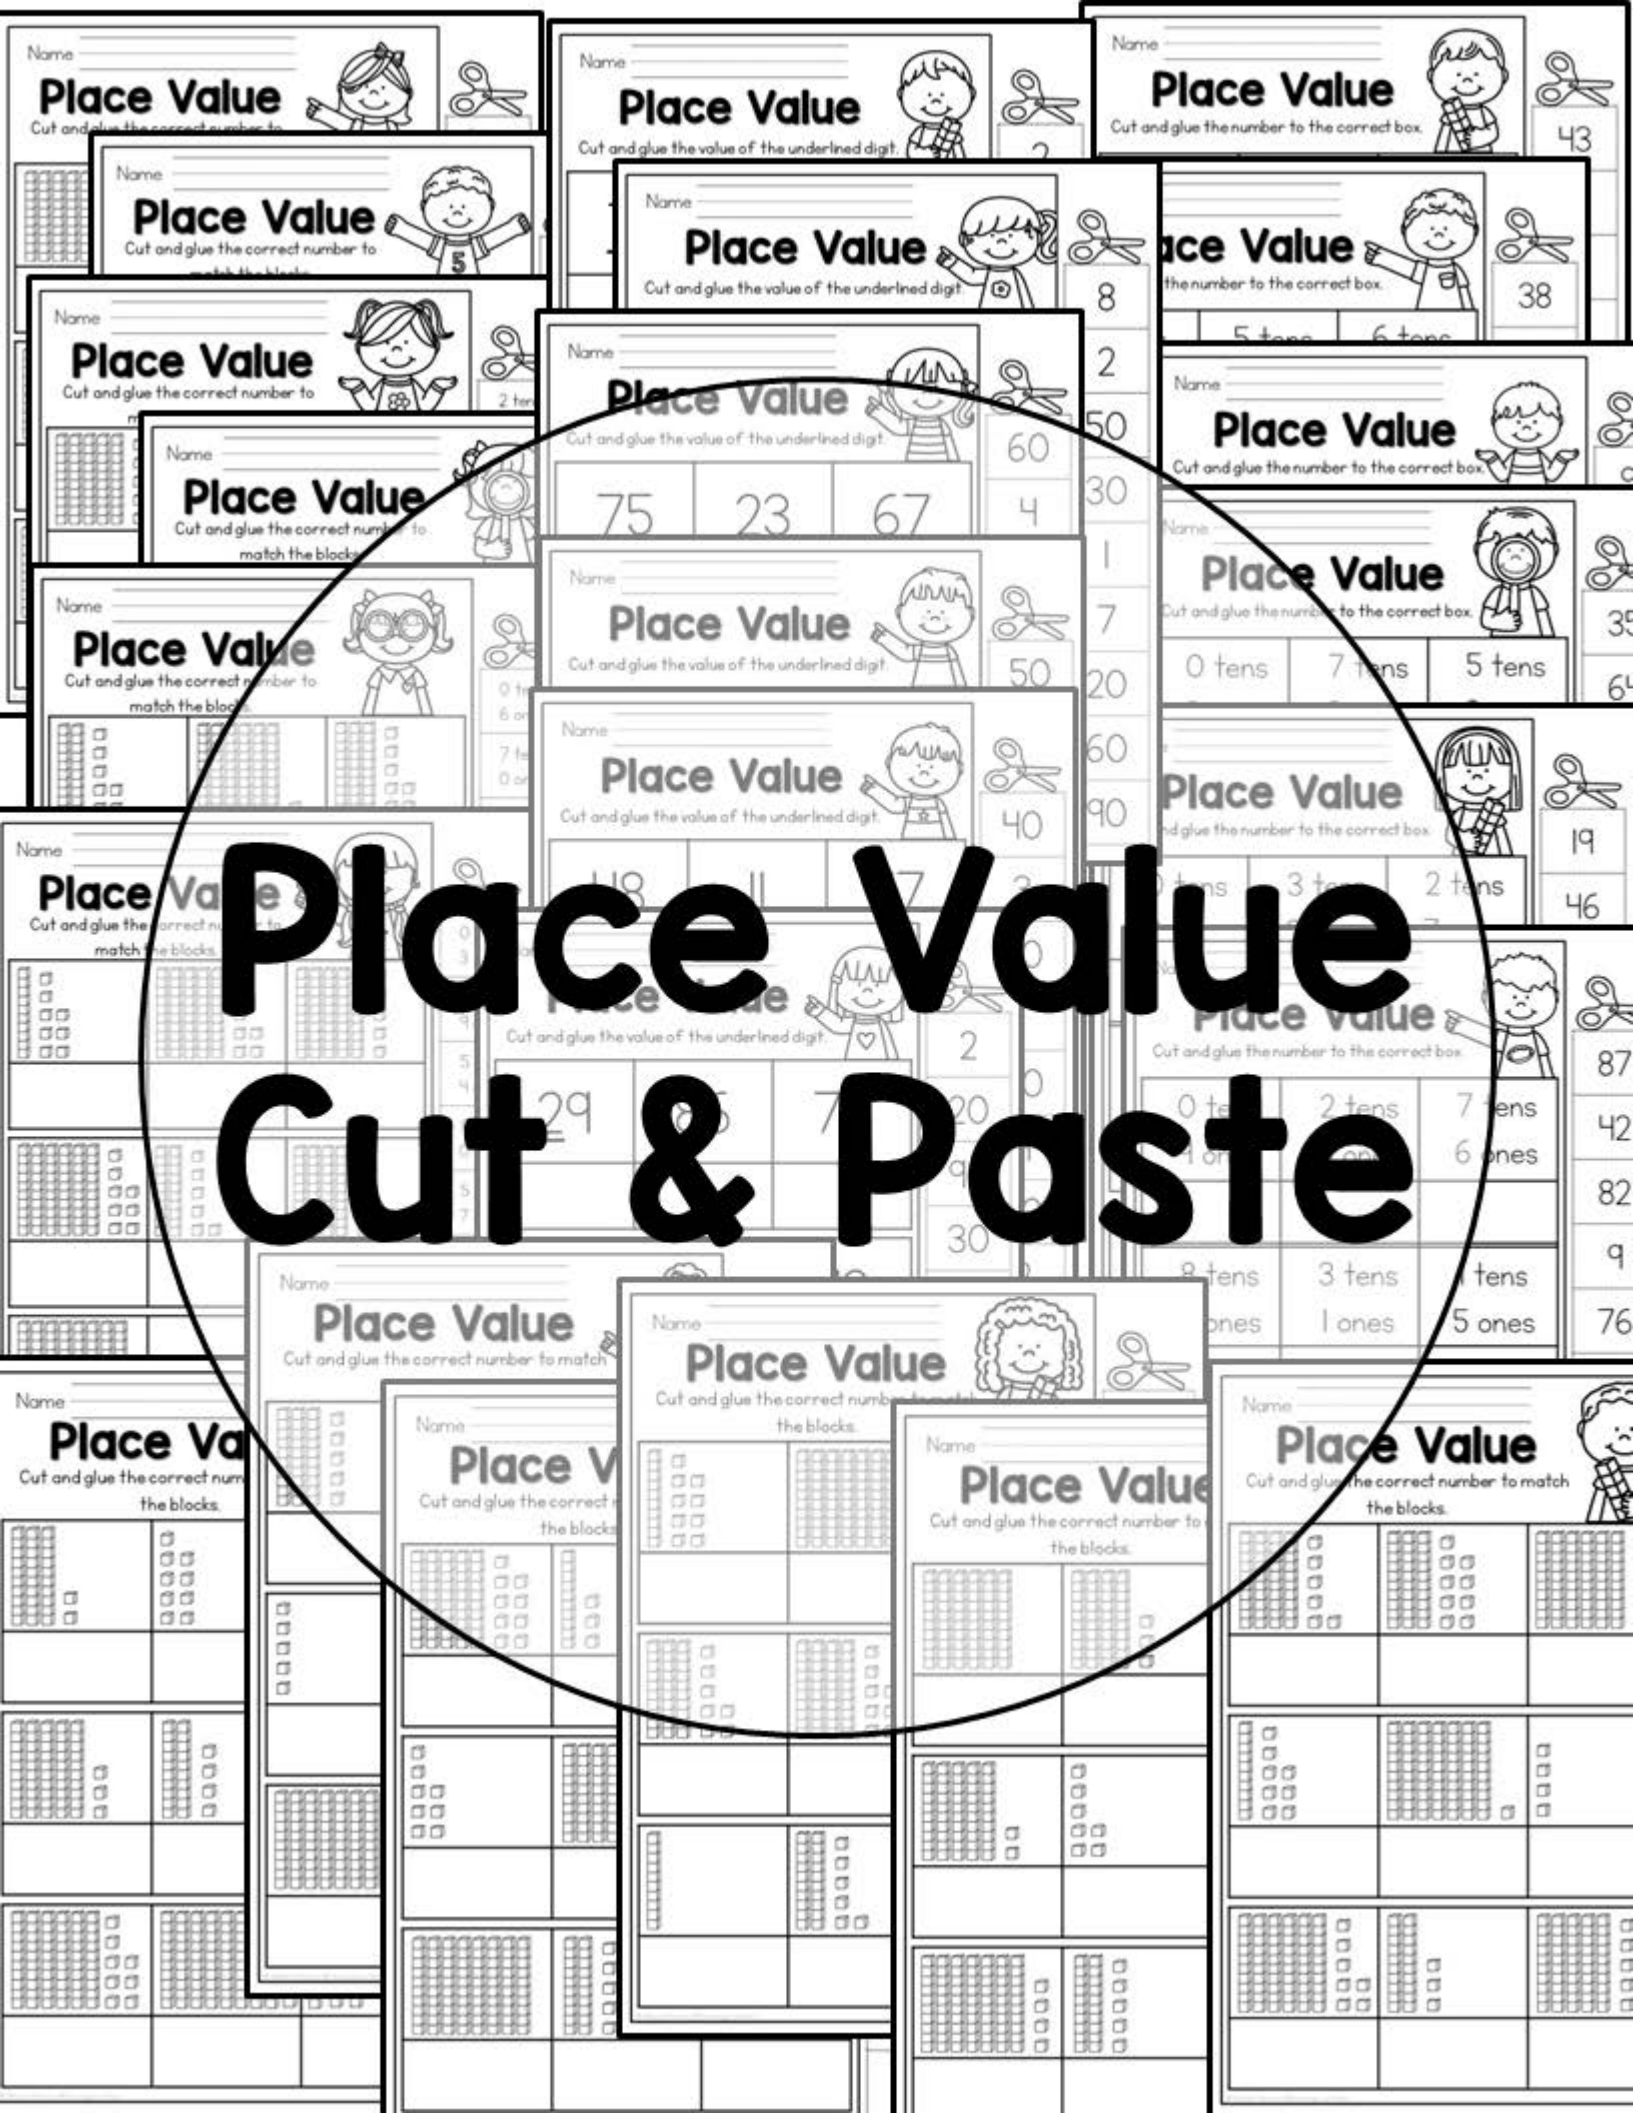

Page 10-15: Match tens and ones to the 2-digit number

Page 16-21: Identify the place value of the underlined digit in the 2-digit number

Page 22-27: Match base blocks to the 2-digit number.
